

THE GREAT RACE

Tune: Here we go Round the Mulberry Bush

The animals all **swam** in the **race**,

The animals all **swam** in the **race**,

The animals all **swam** in the **race**,

Are you ready steady go?

The ox was **strong** and he **swam** very fast,

The ox was **strong** and he **swam** very fast,

The ox was **strong** and he **swam** very fast,

And he thought he'd won the race.

The **clever** little rat **jumped** onto his tail,

The **clever** little rat **jumped** onto his back

The **clever** little rat **jumped** onto his head,

And the rat won the race instead

The rat came **first** and the pig came **last**

The rat came **first** and the pig came **last**

The rat came **first** and the pig came **last**

And that was the end of the race.

(create actions for the words in **bold** for even more fun!)
